“ Paula was the first person I met when I came to Northwood. She was my choir buddy and mentor. I became sick back in 2004 and Paula came to visit me and brought me a little pink duck. She said it would comfort me whenever I was down. My kids named the duck Phyllis and they bring her to me whenever I'm sick. Not only did Paula influence a tradition in my house for years to come she influenced my life. Charlie and Paula are two of the most loving and Godly people I have known in my life. My biggest regret is that I did not get to tell her how much she meant to me and my family before she went to heaven. Somehow I think she sees me and knows.

“ It was such a blessing being able to care for Mrs. Paula towards the end of her life. She was truly inspiring and the light of Christ shone through her so brightly! Even in pain, she was strong and so so sweet and funny, always in good spirits. It was an absolute pleasure being in her company, even when she did call me booger :)  
Praying for you and your sweet family, Charlie.

“ I remember the first time I ever met you and Paula. Marcia and Chip brought you both down the children's hallway and I was teaching, she brought you by the room and introduced you both. Not long after you both gave yourselves to Jesus and your lives were never the same. Thankful for your sweet friendship over many years. You are in my prayers. Love you Charlie.

“ Charlie, I can not begin to tell you how much of an inspiration and blessing Paula was to me and my family. She was such a sweet sister friend to me and I loved her bunches. I am sad that she is no longer with us but I know that she is smiling radiantly while looking at Jesus and she is no longer in pain. I will always remember our laughter together as we spoke how everyone thought Jeremy was your son playing the drums and I will always remember her with arms lifted high worshiping our Savior. Please know that you are in our prayers daily and we love you.

“ I didn't know Paula as well as or as personally as many others but what I can say is you always saw Christ in her!!!! She always had a smile on her face and NEVER EVER a frown. She greeted anyone and everyone as if she knew them from childhood which always made people feel comfortable! She was a warm, loving, and caring God-fearing, God-loving woman!!! I know she is walking the streets of gold and worshiping at her Lord & Saviors feet & shouting out glory like she used to during church service. This is not goodbye Paula, but till we see you again!!!

“ The first time I met Paula was during a course that we both attended at Northwood Baptist Church. She always had a smile on your face and was so pleasant to be around. She would stop in to visit Bonnie Morgan's ladies Bible class. I always enjoyed seeing her and listening to her express her love for Jesus. Paula will surely be missed by all. My prayers and thoughts are with the her family and friends. May they find peace and comfort.

“ Charlie. we have loved you and Paula from the time we met you both. What a godly, outstanding couple you have been. Paula was my choir buddy and we'd sit together and try to learn the second soprano parts. She could belt out the song and that helped me. She also often stopped by my ladies' Sunday School class to show us her newest very economical but beautiful outfit. Before she left she had all of us laughing and loving the Lord more. We are all hurting with you. I wish there was some way we could ease your sorrow, but I know the Lord will minister to you and will take you in His arms. She will always have a place in my heart and I do look forward to seeing her again in heaven. Please know that Nick and I are available for you anytime. Nick is a good listener, so please call on him if you need that. We love you so much!
