“ I was a school friend of Paula Campbell Trapp for many years in Galion, Ohio. We were also in Future Nurses' Club together. She was always such a lovely & fun person. I remember when we were in 6th grade together at North School when Paul had a serious sledding accident into a huge tree in the school's backyard. Paul lost many, if not all, of her teeth. She will be missed by many. from Jan O'Neil Worthington, Ohio
