“*Pauline was an amazing person and I am so blessed to have known her. There are simply no words to express how much she meant to me. Her family, friends and faith in Jesus were the most important things in her life and I came to love her as my "mom" over the years. I have so many favorite memories--sitting on their front porch enjoying the view and the conversations, going to the local places in the valley, vacationing at the beach and Williamsburg, and on and on and on. The last trip we made together to come back to Virginia will always be a cherished memory and I'm so glad I was able to spend those days with Pauline and Dick. My heart breaks for the family but take comfort in knowing that she is celebrating with her Savior. I love you all so much and pray you will find joy in celebrating the life she lived and sharing so many stories and happy times together. I'll be praying for all of you and thinking of you especially today.*

“ Our deepest sympathy goes out to the entire Nagle family in the passing of Pauline. She was such a wonderful person and made our lives better each time we had the pleasure of visiting with her. My favorite memory is when she invited me into her private room to look at her bulletin boards full of pictures of her family during all stages of her life. I was so honored and loved hearing her tell me about each one of the pictures. My favorite picture is the picture of her in her lovely blue dress. We will miss you terribly Pauline. Much love, Kris and Diane Busch.

Thirty-six years ago, Dick & Pauline began to attend the church at which I was pastor. They've been with our church family ever since, & we have grown as Christians and coveted their friendship. More than we can ever express, we thank God for Pauline's life and her witness for Jesus Christ!
