“Peggy was the love of my life. She gave me many wonderful memories as we journeyed through life together. She helped me raise two wonderful daughters. I hope she is at peace with the Lord. The two greatest moments for me were when I asked her to marry me, she said Yes & six months later on our wedding day in front of family and freshen she was asked if she took me as her husband she said I Do. How fortunate for me that she entered my life at an early age and what a journey we had. I will miss her laughter outgoing personality and all the times we shared together. Rest in peace. Your husband Jim Ferro

“So very sad to see the news that Peggy has passed. I knew her through her Cavaliers and as a member of our Club. She was truly passionate about the love and care of her dogs. My deepest sympathy to Jim and family. Barbara Waters
