“ *I have such happy memories of Peggy from years ago when we worked at Johns Hopkins. There were days spent at Peggy's home with Barbara and their parents with whom I had many happy hours. Working at Hopkins was made so much more fun with Peggy and Barbara. We had so many laughs together--whenever I hear the "Little Drummer Boy" at the holidays, my thoughts immediately go to our lunches when we would all start the song but never quite finished it because we would all break into laughter!*

So many years have passed (decades really) since I've seen Peggy--I married, started a family, lived in Europe for several years before settling in Pennsylvania--but I've often thought of Peggy in those years. We had a friendship I will always treasure.

My heartfelt condolences to Barbara. Please know you are in my thoughts especially at this most difficult time.

“ *Barbara,*

I was so sorry to learn of Peggy's passing. We had many fun times as childhood friends on Chesterfield Avenue. I hope the support of family and friends will help you during this very difficult time.
