“ Phil was a big part of my youth. Justin started at Hanahan in Middle school and he and I became quick friends. I spent a lot of time at their house over our high school years and Phil was always there to support Justin and all of us in all of our sporting activities, fishing, and generally just hanging out. From time to time he would give out small bits of advice and fatherly guidance. I truly enjoyed all the time we spent together and now as an adult, I appreciate the time he gave to me and all of our high school friend group. Since high school, I think I only saw him 2 or 3 times, and really wish it would have been more. I'm also very sad that I'm just now learning of his passing and wasn't able to attend his service. Phil may you rest in peace and hopefully one day in the future we can share a big hug when we both meet up on the other side. Thank you for all you did for me as a young man...I will always be grateful to you for the time and support you gave me.

“ Phillip was a good man and he and Ronnie Sanders made me laugh a lot. I am so sad to hear of his passing and will remember him well. One of the best things I think of from CPW (CWS) is how close we all were over the years and how much we cared about and loved each other. Lynne Sanders Dillehay
