“ *Thank you for all your kind words and tributes for Phil. I am and have been fortunate to be married to my best friend, He has always been a wonderful father, grandfather, husband. He was honest and kind in his dealings with people. He lived every day to serve God in anyway he could. My heart and soul miss him every day but he is not suffering and his body is rid of the awful disease known as cancer. When I think of him I see him fishing, singing, and rejoicing in his heavenly home. I love you more than words can say. You will forever be my Tonto.*

“ *I had the honor of working with Phil at Detyens. He was always willing to help, no matter how busy he was. He loved his family, especially Vicky, and loved God. He was truly a Christian man. He will be sorely missed, but surely never forgotten.*

“ *Phil was much more than a man I worked with and for. Phil Stanley was a good friend and brother. I would always talk with him whenever we came to Detyens Shipyards. Phil was especially good to me when my father passed away. Phil let me sit in his office and talk, he listened and was a GREAT friend. Phil was a GREAT man of God, A LOVING husband to his bride Vicki, always talking about his children and grand children. I will miss you Phil. Love you my brother.*

“ *I worked with Phil for over 20 years at Detyens Shipyards. He always did a great job while in Production and while in the Estimating Department. He always had a great attitude regardless of what he was up against in his work and his life.*

Needless to say, he dearly loved his wife Vicky and, of course, his children, grandchildren and, last but not least, God.

He will be missed but he will never be forgotten.

“ *My thoughts are with Phil's family during this difficult time. I had the pleasure of working with him at Detyens Shipyards. He would call me yearly asking when my girls were selling Girl Scout cookies. He loved his cookies! He will be missed by all. ~Melanie Blackwell HR Detyens Shipyards*

“ *Phil was a devoted employee at Detyens and all of us in the Estimating department got to know him well over the years we worked together. He was a jolly soul, one of a kind good- at- heart kind of man. He loved his "Bride" as he called Vicky very much. Phil was easy to work with and I remember as his days came to a close for his retirement he would turn up the sound and sing gospel songs. He was devoted to GOD and we know, in a better place free of pain. He was wonderful, knowledgeable and loved his job. . We will miss him dearly and send prayers to Vicky and all the family.
