“ *My mother, Pura made everything beautiful. I love all the beautiful prepared meals, the decorations for every holiday, and the way she wrapped Christmas presents. She worked at the New York Post Office and always sent so many beautiful clothes for my children for their birthdays. My favorite quality my mother has is she knew how to love. I love and miss you so much it hurts. You are truly a miracle! Thank you for being my mother. I wouldn't of chosen any other women to be my mom.*
