“ Well let's see between Little Leage and the Hawks we shared the ups and downs of more than 200 games together. I could always count on you to give 100%. Q and Austin and I went to see the mighty Gamecocks play and watched a lot of Justin Smoak at 1b. I remember you pitching a complete game win against AR and completely baffled our hitters. Coach Mike and Billy provided tons of fun. It's not fair that your life was cut so short. I'll miss you. Coach Al

“ I just heard this news today, my heart hurts so much for your family. You were one of my craziest young men that came through my lunch line at CBHS. You always had a huge smile and your goofy laugh was so contagious. You were one of "my boys" and you knew it. You knew that you could get what ever you wanted in that cafeteria line everytime you would say "awe come on Ms Robin, I need my strength for baseball, I'm so hungry" then you would give me that huge smile! You will be greatly missed young man, may you fly high!

To the family, please know that my prayers for peace and comfort are with yall during this difficult time. Q was a amazing young man who I thought dearly of. May he forever be your guardian angel.

“ I only had the privilege of meeting Quinton one time at one of his high school baseball games and I can say that he came across as an outstanding young man. I can't imagine the pain that you are going through during this time but I know that God will give you the strength to make in through these rough waters to a more calm place. You are surrounded by many friends and family that are there to support you and comfort you. I will continue to keep you in my thoughts and prayers and pray that you will find the strength to make it through each upcoming day.
