RA Legette....where to begin. RA was one of the first to welcome me into the Dorchester Shrine Club. Not knowing me at all, he treated me as if he'd known me for years. My fondest (and most expensive) memories of RA have to be all the beat downs he dished out at the card table! He was a true brother to all, and I'm honored to have known him and been able to call him "friend"!

My prayers and solemn condolences to his entire family. This man will definitely be missed by all!

God Speed Brother!

It's so hard to say goodbye to a loved one. We were more than friends with Renee and RA - they are family. RA could make me laugh at any given moment. His humor was contagious. My only consolation in all of this is that he is no longer suffering and hopefully is resting in peace now. I will forever have wonderful memories of the four of us throughout the years. I'll miss you so much

I've only been around R.A. a handful of times, but I knew after the first time he was someone special because of how he made you smile Renee. I'm truly sorry you've lost your soul mate, your best friend. I hope you can find solace in knowing he's no longer suffering & comfort in knowing he's in a better place. May he rest in peace. Love you Renee!
