“ *Walter Rae was my mom's (Sissy Hill-Krauk) best friend. She was like a second mother to me. Next to my mom, I have never known a better, more giving and loving woman. Rae lived her life with humor, love, faith and perseverance. She defied all the medical odds and confounded her Drs. SHE decided when she would fly high with the angels ... because cancer did not define her! I have always admired and loved her for the way she tackled life with zest, humor and pure strength. Her humor, even in the midst of trials, is inspirational. I will miss her more than words can express. I love you to the moon Rae!*

“ *Rae was my fathers secretary for many years. She was always a friend on my family. She helped my father in many ways even after he retired. After his death, she stayed in contact with my mother helping her. She will be missed. Ellen Askey Goetz*
