“ I am so deeply sorry to hear about the loss of Ralph. Growing up in Stallville, he and Ann were some of the kindest people I think I've ever known, even all these years later. Life has gotten busier for my family and we don't make it to church nearly as often as we wish, but every single time we made it, Ralph went out of his way to greet my husband, my daughter, and myself like he'd seen us just a week ago. He was a good man and I pray that knowing he is now in the Lord's hands watching over his family brings them some comfort. My daughter and I will be out of town this weekend, but will have Ann, Julie, Cliff, Morgan, Sam, and the rest of the family in our thoughts and prayers. ♡

“ Back in 1993 I attended my first Emmaus Gathering. We were singing “Here I am Lord” and I started crying. Mr. Ralph was sitting behind me and he reached over my shoulder to hand me a bright white handkerchief. That small kindness meant the world to me and I will never forget it.

What can I say. I knew Ralph during my tour in Cheyenne, WY. I shall never forget our good times fishing for trout, although he bested me once my hauling in a nice brown at Curt Gowdy State Park. Ann and Ralph, Julie and Mike were the nicest people I ever had the pleasure of knowing.
