

Randy Dean Weathers

December 21, 1959 - April 17, 2020

Randy Dean Weathers went home to be with the Lord on April 17th, 2020. He is survived by his loving wife Lupe Weathers, sons: Michael Caudle, Gary Caudle, Josh Weathers, and Sarah Murphy; two daughters in law: Emily Caudle and Ashley Newman and grandchildren: Avery, Jase, Harper, Peyton, Paisley, and Brayden. He is also survived by his parents Lloyd Dean Weathers and Darlyne Davis, and many brothers and sisters.

Randy was a simple man with an extraordinary love for his family and others. He taught his family to love as God would, and he gave God the praise in all things, through good and bad times. He loved his farm, his fishing, and his hunting. But his wife and family were the center of his joy and love. Randy never met a stranger, and he always had the time and generosity for anyone in need. He never had a bad word to say about anyone, and he was a true example of what the love of God means. His laughter could fill a stadium, and his presence was always anticipated by anyone who knew him. He will be missed every minute, of every hour, of every day. The best man. Rest with Jesus now Daddy. Until we meet again, we love you forever.

“ Randy was a great neighbor that was always willing to help. When he was out working on the farm most of the time he had his camo pants and hat on with a big old smile on his face! First thing he had to say was “What ya doing Budddyyy” We are going to greatly miss Randy and have Lupe and all of the family in our prayers! Sincerely,
Josh and Kimberly Headden

“ I’ve shared this before, but Randy is my cousin. We didn’t get to see each other very often (only once or twice a year when we were kids). Sometimes it was on the family farm in Cole Camp, Missouri. When we did, we sometimes got into mischief or as the Germans say “devilment”. We used to joke around that when one of us was responsible, the other usually got whooped. All in all, we said it probably evened itself out 😊. I’ll miss him greatly as he was someone I looked up to as a kid. He loved his family and we will see each other again. God promises us that. God speed my brother.

I wish I could put in words how truly saddened I am at losing my brother Randy. Not nearly as much for me, as I am for his beautiful family, that he was so important to. Lupe',Mike.Gary,Josh, Sarah and all the Grandbabies. I was lucky to spend some very nice visits with Randy and his family, when they were stationed in Chicago and Charleston. Wonderful times fishing with Randy, but the real special times were being around, and feeling part of a fun, loving family. Thank you so much Lupe' and the kids. I am so sorry for the loss of Randy, a truly good Man. God Bless.

Randy and I have worked together for nearly 10 consecutive years.
Working aboard a ship together, you become more than co-workers.
You become close friends together. Randy will be dearly missed.
