“ Your family chain is broken. Nothing feels the same, but as God takes us one by one, our family chain will live again. As for now, Neil's love for you will live on your hearts. I know that he was intensely proud of each and every one of his family, and his love will always remain with you. Thank you, Dean for the endless love and support you showed Neil. He could never have asked for any human being to have loved and cared for him as you did. Yours was a 24 hour day job for many months.
I love you all and feel proud to be your friend.

“ Yes the Griffins & the Woods lived on Sandefur Rd together. As Annette says we all did a lot of things as neighbors. Even shared the first telephone party line together. As Neil & I got older & went to the same class reunion we would make jokes about all of this. Neil was a good man and his wife, Dean has been with him a long time. He will be missed. “ My family and the Griffin family lived on Sandefur Rd as neighbors. we played together on the road when it was red clay, years before it was paved. I went to school with them, road the bus, took swimming lessons together. we called him Neil, looked up to him as our 'leader' as he was the oldest in the group. He was a wonderful person, took care of us younger kids. He could swing off the vine rope at Houser's Mill swimming hole better than anyone else. Happy memories like this will keep Neil in our hearts, never to be forgotten. Rest In Peace, my friend.

“ I am so sorry to hear this. This is Chris (Frampton) Power. I remember Mr Griffin fondly from my Childhood. I used to play with Anita and Chip. In every Memory he always had a big smile on his face . He was full of joy. He always made us laugh. That was a special gift to see the humor in life and to always face the day with a smile. Holding all of you close in prayer. Remember John 14 “ My Father’s house has many rooms. If it were not so I would have told you. I go to prepare a place for you so that you can be where I am also. I will come again and take you to myself so that you can be where I am also.” He took his hand and walked with him into our Father’s house.
