“ Praying for the whole family as you go through this difficult time. Look to God for guidance, comfort, & strength because He is with you today & always. It is good to know that Rick is in a much better place & he is in the arms of Jesus. Rick is enjoying singing w/the angels in Heaven & we will see him there one day.

“ What I remember professionally was your willingness to step up-to accept as requested .you were smart and dedicated- This moment brings to mind these words--GOD called your name so gently,that only you could hear-no one heard the footsteps of the angel drawing near-softly from the shadows there came a gentle call,you closed you eyes and went to sleep you quietly left us all-good night and GOD bless
