“ Our deepest sympathy and condolences goes out to Steve and Liz and the entire Nagle family during this difficult time. Please know we are thinking of you and sending all our love, hugs and prayers of comfort.

Having had the privilege to meet and talk with Dick only a couple times, he was a man who made a lasting impression on us. His soul was warm and welcoming where he never met a stranger and would always strike up a conversation with you to share his wonderful sense of humor and impart his wisdom. Though just a brief encounter, he touched our hearts and made it was easy to see how wonderful of a husband, father, grandfather and friend he was to so many and whose lasting legacy now lives on through his beautiful family.

*May God Bless & Comfort All,

“ So much to say about this wonderful man! Kris & I were so lucky to be invited to be a part of the fabulous Nagle family. Dick always welcomed us into his home and always had a funny story to share with us. He shared countless stories with us over dinners and of course desserts. We will think of him often and will miss him immensely. We are so sad that he passed, but are comforted knowing that he is with his beautiful Pauline now and no longer suffering. Much love to the entire Nagle family.
