“ I've known Richard since he had a full head of hair. I met Richard in the Air Force in 1978 at Yokota AB Japan. We both worked Passenger Service. We both got assignments to San Antonio TX international Airport from 1980 to 1981. I worked for Richard at the small military reception area. We greeted military personnel and helped them get to there bases in the local area. Rich and I worked swing shift and a majority of AF recruits came in heading on busses to Lackland AFB for Basic training. We moved over 7000 recruits in 3 days on our shift. We stayed pretty busy. This is where Richard met his future wife Aymee. She was looking for transportation to FT Sam Houston her new training assignment with the Army. If my memory serves us right Candy and I stood up as witnesses when they were married on Valentines Day 1980. Candy and Aymee became fast friends and through out the years we always stayed in touch. We all took a fantastic trip to DC together to see the sites. It was a great time and alot of walking. We were invited to both Richeys and Emilys wedding as well as Samantha and Scotts. We consider them our extended family. Im so happy for Richard and Aymee to have there first Grandson Emillo. We are writing this on the day of Richards funeral. We are heart broken for the family. We are going to miss him. Jeff and Candy Barr

“ To the Perez family; Gloria and I send our deepest sympathy and
condolences. We know that time and miles of separation leave
friends and
family sometimes apart and forgotten, however on the contrary this
is not
true for us. We often recall fond memories and the kindness of
Richard
and the family, that has always been dear to us and therefore never
forgotten. Time and space will never erase over fifty years of
friendship and now, has ultimately left a hole in our hearts. May God
grant us all peace and
strength.
