“ *I have been lucky enough to have known both Rick and Debbie since our days at Stall High School. I'd like to share a 10th grade cute love story about these two.*
It was Mr White's French class on the first floor. Debbie discovered early on that year that Rick would descend from a class on the second floor at the bell. Well, everyday that dang bell would ring and she would have us grab our books and run to the stairs so we could watch him walk down. There she'd stand with her big blue eyes and braces ogling his handsomeness. And so it begins.
What a life! What a love! Rest knowing that you have created a beautiful legacy with your wonderful family.
