“ I am so sorry to hear of Bob’s passing. He was such a blessing to me at WRES for so many years. What a dedicated classroom volunteer he was. There was absolutely nothing he wouldn’t do to help make my job easier and it was his mission to make all of our students feel loved, valued, and respected. He truly made a difference! Heaven gained an extra special Angel! Sending prayers for all who loved and will miss him.

“ *So many memories,Bob helped me build our deck,but the memory that makes me smile is when he was wondering why the tv kept changing channels,of course we know who the perpetrators were, outside the house aiming the second clicker through the basement window! Bob was truly a kind and giving soul. I am very sad,upset at Bob's passing.*
