“ Bob was a kind and generous man who loved his family with all his heart. I always loved seeing Bob when we visited in the summers, hearing his stories and making me laugh. He is a true gentleman and will be missed by all. Rest high on that mountain, Bob. Until we meet again. Sandy Mills 🙏❤️

“ *My interactions with Mr. Polk are from the Beech Hill car rider line and various school functions. He was always there for his grandkids, and you could tell how much they loved him. He always would joke with me, give me a hug if he were out of the truck, and simply bring me a little joy every time I saw him. I know he had quite a life before he made it to our car rider line, but he was in every sense of the word a true Beacon.*

“ *Sending my love and light to the all the Polk Family; I love you all ❤️ Mr. Polk was my high school soccer coach 96-99. He was the sweetest, passionate and all around lovable coach with the jokes. So many memories of traveling to tournaments, hugs and high fives and cheering us on and in life. Mr. Polk always joked about having so many adopted daughters while coaching 😊 He made a positive impact on my life that helped shape me into the person I am today. I am truly blessed to have known him ⚽️💚💛*

Bob Polk was truly a great guy. With his distinguished voice, he cared for and helped thousands of youth, through his roles at SHS, as a soccer coach and more. We need more men like him. Blessings to his family.
