*That was beautiful. John and I have been reminiscing the last couple of days. To say he was a character is an understatement. We often use bobbyisms when simple expressions just don't work. He was a part of my life as long as I can remember. He has a special place in my my heart.*

*Sincere condolences. He was such a blessing at Summerbrook Community Church. He was so pleasant when greeting and welcoming people to church. He and I discussed ceramics and grandchildren and great grandchildren. Always a smile and a great outlook on life. He loved Jesus and got so much out of the sermons. He also came and stuffed the church bulletins. He was really missed when he moved. I am so sorry for your loss. He loved his deceased wife and all of his family.*

“ Sending sincere condolences and lots of love to Bobby’s loving family! I remember many wonderful family times in Aunt Jean and Uncle Ernie’s backyard in South Orange with all of the cousins running around and playing until dark! I also remember Bobby dressed up in his fireman’s uniform when I would bring my class on a class trip to the South Orange Firehouse and Bobby would make a fuss over all of my third graders! Bobby will be in my thoughts and prayers and may he RIP!! 💙🙏💙🙏
