“ So many memories sitting with Mr. Bob and Mrs. Faye in their garage listening and talking about their travels around the world and their Air Force career and life. Many times, Faye would crack down on Bob and say, "did you offer him a drink" :) A warm welcome, good conversation and an ice cold soft drink was the standard at their home. Wonderful times! So many times visiting their home the hours would pass by and at the end of the day, I felt blessed and lucky to have a friendship with Mr. Bob and Mrs. Faye. They touched so many lives and made such a positive influence on so many people. He will be deeply missed and remembered forever.

The neighborhood will never quite be the same driving by their house, and not seeing them sitting out in the garage. My thoughts and prayers are with the Lance Family as this has been a difficult year for them
