“ *Barbara, Debbie, Robert jr, and family. We are very sorry to hear of the loss of Robert. He has indeed had many bonus years since his surgery thats true, with that said and done, will not lessen the emptyness and how much he is going to be missed. We loved Robert so much, I have to say especially Silver. We regretfrully can not make it. We are packed, ready, it is snowing, blowing here like no other, cant get out and then face the mountains. OUR HEARTS and PRAYERS are with you all though. We will be in touch. Angels around you all. Silver & Beverly*
