“ Miss Laura, I am sadden of the lost of Robbie. My whole family is shocked by his sudden death. It seems like it was much sooner than the doctors had thought. Please accept my sincere sadness. I will always remember him from him helping you in your business when you were starting it up. I enjoyed his company and will miss him. Most of all, I will always remember when my daughter died and the blessing you and Robbie gave to my family in helping everyone. You both were so kind to us and it did not go unnoticed by any of us. You, Robbie, and your family will always hold a special place in our hearts and our homes always will have a welcome mat at the door. Love you!!

“ I worked with Robbie at Hendrick Honda in Charleston SC. I never saw him without a smile on his face. Robbie was the service advisor and I was the warranty administrator. If you have ever worked in a car dealership, you know these 2 positions sometimes are like oil and water! However Robbie was always willing to go the extra mile and it was a pleasure to work with him and I was blessed to have known him as friend. RIP my friend. You will be missed. Ruth Anne Posey

“ I worked at the Pig with Robbie and one night he told me I needed to go shake the salad dressings. I did it until I saw him grinning and laughing at me! Always a joker.

I am so sorry Laura. I hope you and the kids find peace and comfort in his passing. I hope many memories are shared to bring some happiness with the pain. I hope enough memories to always keep a smile.

My deepest condolences to you all.
