*Dear John and Family,
Bill and I were saddened to hear of Robin's passing. We never got to visit nearly enough. We often think about the good times of our past and the fond memories of Holly and Tony before your family grew! We love you dearly! Sending prayers of comfort, strength, and peace. Please know how much Robin and all of your family are loved. We wish we could be there for you, but it is not possible at this time. Love you always!*
