“ *I was so saddened to hear about Mr. Koster. He was such a Good Man and very good Friend to my Father and Mother. When my Father was dying he came by every morning got there newspaper and came in to sit and talk with my Father. One Saturday I was crabbing when he came by and saw that my crab net was not long enough for me to be able to get my crabs on my line. He surprised me came by got my net when I was not there and added an extension for me. I used it for many years. He was so kind and Thoughtful. Thought the world of him. He was a very Special man. Heaven gained a very Special Angel. My Thoughts and Prayers are with you Mrs. Koster and Family.*
