“ *Memories. So many memories. I met Ron and Dee in a chat room in 2000. I had never chatted before this is my first time in a senior chat room. They were so much fun sparring back and forth.*

I was in a sad relationship and was very lonely. The chatroom took me away from my situation and I looked forward 2 coming into the chatroom nightly and visiting nice folks there. Ron so friendly and quiet and Diana so vivacious and fun. Eventually they met when Ron drove out to California from New York. I was shocked that he did that:-) from there, their relationship blossomed culminating in their marriage in 2003 ❤️

I was very happy for them they were so perfect for each other. Their relationship actually inspired me to start a new life for myself , so I did and in that same chat room I met my hubby and we have been together since 2003. 💕

I thought Ron and Diana eternal and am deeply saddened of his passing.
