“ *To Mom Landin and The Family...
I will never forget Ron and all the time he put into me at NWS
CHASN. I was a hardhead but he never gave up on me and made
work fun. I will admit that I turned him back into a gearhead between
his Crown Vic and my Mercury Marauder. He will always be my
"Work Dad" and know that I loved him too and I have his space in
my heart locked away to share with him when we meet again. My
Love and Strength to you all.*

“ *I remember when we would always argue about the first cup of
coffee of Brussel sprouts and we would always joke around with
each other you were honestly my best friend and always made me
smile when I was upset. We never really got to say goodbye but I
love you popa*
