“ *I was a friend of Ron's in Cleveland. He was a good friend until he moved away to SC. I met Ron in the 70's when he worked at a Turnpike Stopover near Brecksville. We worked together with a band called SNAFU. We still talked every few weeks. It looked like some good things were finally happening for him and now this. I will miss him.....*

*I met Ron through Gregg. We shared a love of hard rock and science fiction, and I always enjoyed his company as we watched many movies together (Blade Runner maybe 20 times?) at Gregg's old apartment in Middleburg. He was a gentle soul with a good sense of humor. Rest in peace, MoonMan!*
