“ *Hello Stewart family. I am so sorry for your loss. I found your information while conducting research in SC related to motorcycle deaths struck by cars that failed to yield. My nephew Ryan Mancuso was killed on April 3 at 8:15 AM on his way to work in Myrtle Beach less than a mile from his house. The facts are eerily similar. We would like to unite with other victim families to promote a change in the law. Please contact us if you'd like to be involved. Happy Thanksgiving.*
