“ *We really did not know Rose for very long, but grew to love her in a short time. Any one who came in contact with Rose became her friend, quickly. We will miss her very much, but are reassured in the knowledge she is with our Lord, who she loved dearly.*

“ *Miss Rose was a kind and loving lady whom we will always hold in our hearts with high regards. She was an outstanding cook who made everything taste wonderful; my favorite was her Italian cream cake. She was one of the few people when I was small whom my mom trusted to take care of me in an emergency one night; I still remember spending the night next door and how she made me feel loved. I know you will miss her more than words can express; your mom is always your best friend; nothing will ever take that away. You will be in my thoughts and prayers. With much love, Cynthia and Wayne Miller*
