“ *What a loving, kind hearted, caring, funny lifelong friend. I'll never get over the loss of my dear friend. Losing you like this is so heartbreaking and unfair. We were just remembering our Easter's past. How grateful I am for our newest memories, too. I know you're my newest Angel watching over me, enjoy the laugh. 🤪 I got you, girlfriend.....Until we meet again🥹🥹🙏*

I'm going to miss all the stories that we shared of our children growing up and all the support you gave our family through out the days from when you had first started with Charleston Ship Repair. You were a blessing to the whole company family.

“ I will miss you more than words can describe. You were more like my sister than a cousin. We shared so many laughs, tears, and secrets. I miss our daily texts, I miss our “debates”, and it just won’t be the same without you. You were more amazing than you ever knew. I’m so thankful that I was able to be such a close part of your life. May you rest in peace and we will all be together again. Please keep my family in your prayers. Love and hugs
