“ *Uncle Russell enjoyed eating very much !! I took him to lunch on his birthday April 5th of this year and we talked about things from our past . After lunch , we went for his ice cream treat , as I promised him . I will always remember the special times we had . I have a picture of Uncle Russell throwing me up in the air when I was 1 yr. old and he was home on leave while serving in the war . All that I can say , there was a whole lot of great times spent with him for I will cherish them until I go on my journey . Love you Uncle Russell ...may you rest in peace . Say hello to the family for me .*
