“ While in the hospital at the Ashley River Tower of MUSC, Bradley wrote in her journal that she was thankful for God's grace. She also was thankful for the miracle that is her two girls, Ruthie and Emma. We know her spirit will be in Heaven.

*I am grateful for the heroic efforts of the MUSC teams trying so hard to save Bradley.*

“ David, Anne and family: Ever since Amanda brought Bradley to my house in Ladson, she forever became a member of my family. I have a lot of fond memories of those days: their Senior Prom, high school graduation day, the baby shower I gave Bradley. She was like one of my own children, always at the house laughing! She called me "mom" as all the kids did. I will always be grateful for her friendship with Amanda, and for when she drove to Greensboro when Amanda had her first child. They were such good friends, but distance kept them apart. I will always remember Bradley. Please accept my deepest sympathy for your loss. Many prayers for you all.

“ I'm so sorry for your loss. Bradley was my first, and for a little while, only, friend when we first moved to Summerville in 1992. I have lots of fun memories of riding horses with her at Medicine Wind, and sleepovers at your beautiful house. She was always so funny, and I'm sorry that we lost touch over the years. I'll keep you all in my thoughts. Sincerely, Crystal Stubbs Limehouse
