My greatest sympathies to the entire Ruffin family. What a terrible loss. I did not know Ruth but know Alexis through my daughter Kayla; they are serving as battle buddies in the Army. Alexis has been a wonderful friend to Kayla and Kayla feels she is more like family now. They have been able to encourage one another in their Christian faith and I would like you to know that that has impacted my family in a good way. Thank you, Ruth Ruffin, for your faithfulness to Jesus Christ in raising your children. May God's comfort and peace be with each of you.

Our deepest sympathies and prayers in the loss of Ruth and your precious son. I remember meeting both of them when Dan & Val were stationed next door to you in England. Ruth had a great love of color and whimsy and the most wonderful love of life and laughter. At that time, E, was so little and the typical rough and tumble toddler. Our prayers are that God will grant you comfort as you struggle to move onward, and that the memories that remain would be those of joy, love, and laughter. Hugs.

“ My heart is full of sadness for your loss of Ruth. Her love for her children was immense and radiated from within. Please know that my prayers are with the family and there will always be an empty feeling in my heart with her gone. My only comfort is knowing that she is present with the Lord.

“ Beautiful Ruth....I am at a loss of words. You were my "rock" in England when I first met you. Keeping in touch with you through both of our different moves and then with you and Robert finding a "forever" home in South Carolina. I am going to miss seeing your beautiful face and the Mary Kay notices but I know I will see you again one day. My thoughts and prayers for your family at this time.

“ My heart is heavy to hear about Ruth and her son. I was one of Ruth's Mary Kay customers. She was a delight to know. Whenever she would stop by, we would always sit down and visit for a few minutes. She always had a smile on her face and a hug for me. To the family - you are in my thoughts and prayers. May our God comfort you and give you peace.

“ Every time I saw Ruth, she always had a smile on her face. She was one of the most happy people I ever knew. She spoke so lovingly of her husband and children. She was an endless volunteer at the local schools and NEVER told me know if I asked for some help. We will MISS you Ruth. Susan Edenfield

“ When ever you spoke of the Faroe Islands I could close my eyes and picture this little/grand place you came from. Your giggle and smile really touched me and your gentle nudges to make me a better person will be with me always. Thank you most of all for being a true friend and I will miss you forever.

“ *Ruth was a sweet lady who always remained the same when coming in contact with her. I will truly miss her. This tragedy has saddened me deeply. May her soul and her baby Eyfynn's soul rest in eternal peace with God. To the family, May God shower you with peace, comfort and understanding during this difficult time. Lean on the Him who can shelter you best.*

“ *Ruth was an amazing mother and woman. Her positivity was infectious and her smile as wide as the horizon. She loved on my children just as she loved on all the kids that came in and out of her house. She was phenomenal in every way. She was involved with every activity her children participated in and she touched the lives of so many people.*

May light perpetual shine upon you, Ruth and may the peace of the Lord be with your loved ones.
