“ My heart was deeply saddened to hear that Ryan had passed, I had not seen him in years so my memories are from much earlier years. However, in viewing the video, he seems like the same person I knew way back when. I will never forget his infectious laugh, heart warming smile and just an overall gentleman. My deepest condolences to the family. May the peace of God that passes understanding be with you.

“ Fairwinds, Ryan and much condolences to the loved ones. He was not only a hard worker and mule stubborn to do things the right way, but someone that you actually wanted to chat with and great grill master. His service to his country and dedication in civilian life made a real difference in the defense of our country. You will be missed.
