“ *Tim and Renee, I am so sorry for the passing of your mom. Even though it was expected, I know it's hard to come to terms with the death of a parent. After all, you've had them your entire life. I remember their wedding and then Ted leaving for Germany in the Air Force. While he was still overseas we moved to Florida and your mom came down at one point and stayed with us for a while. She and I had a good time doing things together since we were only three years apart in age. She will be missed by many and I'm one of them.*
