“ *We were neighbors of "Miss Sara" since 1988 and have kept in touch since she moved. Though we will miss her, we are glad she is free from all pain. We rejoice that she is reunited with her beloved sons and other love ones. With Love, John & Sandye*

“ *To Sara Russell Baker's family and friends:*

I'm very sorry to find out that Sara passed away. I worked with Sara at the 6th naval district intelligence office at Charleston Naval Base in the 1960s. We have stayed connected over all these years and I am so sorry that we cannot visit Sara at her nursing facility again. I wanted to do something but there is not much I can do because I cannot attend the graveside service on Tuesday. I had the idea to send a monetary memorial to the Salvation Army in memory of Sara Baker. Do you think that is okay? We will miss visiting Sara in Summerville.
