“ *Sweet Sara, I'm blessed to have been a small part of your life. I will miss seeing you, hearing your life stories, talking with you, hugging you, loving you. This December you won't be sitting next to me celebrating our birthdays and blowing out our candles, but the memories I have of those birthdays will be with me forever until we meet again. You loved God and now you are with him...what a comfort that is to me.*

Love, Frances

“ Oh Ms Sara...how I will miss you. You were an inspiration to me and you will always be in my thoughts and heart. Loved our Wednesday luncheons - in honor of you, we will continue our luncheons as I know that is what you would have wanted and as we have done since you left us, we will click our glasses together in your honor. Love you, my friend.
