“ I, of course only knew Scott through Sabrena and my filtered memories of endless times spent in that house. He was the 'younger' brother, so we paid little or no attention to him at that time. I have some wonderful memories of that entire family, and my heart breaks at the losses that they have had to endure in the last few years. So, to you Ms. Suzanne, Sabrena, Stefanie, Paige & Bishop ~ I am lifting you in prayer for comfort, for peace and the understanding that God only takes the ones he's ready for. Those, I'm sure are not the words you wanted to most hear, but I offer you my deepest condolences, and heartfelt sympathy for Scott's passing. He is gone too soon, but his spirit and zest for life will and does live on in the family & friends he leaves behind to mourn his quick exit from this world we know. My love to you all, and will see you soon <3.

“ My brother, what can I say , to begin to describe your humorous and loving nature? You entered this world by "storm" , and leave with as much voracity as a tornado! Your life has meant so much to Bishop, Mom, Paige, Stefanie, myself and countless others. My motto has always been shared by the both of us!, "life is too short, make every second count, no do overs". Thank you for being pivotal in my thinking! You were always a voice of "reason"! Rest assured, I'll assume the role, I'll make you proud, in words, thoughts and actions. Thank you for being my, "baby" brother! I've got this, so rest easy! Tell daddy, I said, "hi"! Save a place for me at the table. "Forever in my heart and always on my mind!". May God's loving arms envelope you always. Till we meet again, loving you always!
