“*Ronnie, Y'all's children and y'all's fur babies and to all of your families we are so very sorry Sherry is up in heaven and no longer here on earth with all of you. Our thought and prayers are always with all of you and God wrap his loving arms around each of you not just this second but every second until you see and join Sherry again up in heaven.*

*Sherry this rose we chose for you is as pretty and beautiful as you are yes you may not be here on earth in person but in our hearts and memories you will always be forever here on earth.*

*Oh my Lord did we laugh up a storm when we all were together! What fun times we all had! Our hearts are sad and broken for you Sherry your life taken to quickly when you just turned 50 and had the rest of your life to live to the fullest but God wanted you back home with him and your Daddy was calling you to come join him up in heaven as well as all of your other family members.*

*One day we will see each other again and share our memories and once again we will be laughing so loud and hard that God will be telling us to go find a rainbow to swing on and look down at all of our love ones from heaven to watch over them and protect them as always because that is what guardian angels Mama's do!*

*Always be R.I.P. Sherry and we miss you and God bless your loving, huge heart and caring soul!*

*Love always,
