“ *Dean, Alex and Matt, I am so sorry for your loss. Sharon was my oldest and dearest friend since childhood. She's the one I told all of my secrets to and shared everything. She was the friend you could always count on no matter what. She might not have agreed with you always but she would always stand by your side and stand up for you. Sharon had the biggest heart of anyone I know and I will miss her every single day!! I will miss our silly talks and our serious ones. Just know that all of you are in my prayers and heart.*
