“ *Dear Martha and Family,
Please accept my deepest condolences on the passing of Nick. I worked with him on several proposals prepared by American Operations Corporation and looked forward to seeing and chatting with him each time I came to the office over the course of several years.
Nick was a most friendly, courteous and open person who had great energy and skill in his work and kept growing in his service and potential for increased responsibility. I am certain that you are deservedly proud of him. I will miss him a great deal. He was a wonderful and most engaging and capable young man.
Sincerely,
Jack Kersh

“ Shawn touched the heart of many of us in DC. His love of life, music and friends bonded many of us together. His sincerity, thoughtfulness and friendship will be so sorely missed as he was truly one of a kind. Shawn, when you left, a part of all of us went with you, a void which can never be filled. I wanted to be there today, but so hard to make it down, and for that, I will forever hold that pain of not properly being able to say good bye. I love you and miss you brother!!
