“ Mrs. Sheila,

Grateful for the many times the memories of Logan Drive contained happy memories of living next door to you and the family. Dixie, the best friend next door, the creative activities you showed us, all us kids playing together in the yard. All of that happened because you had the greatest kids, and they adored you. I saw a relationship that I wished for in my own family. Thank you for always looking after our best interests, and being a good example. May you rest in peace with Don, and living on in your grandkids legacy. Much love to Dixie and Don
