“ *I'm going to miss you mom. We had some crazy fun times together! She was such a hoot! She was my date at a Christmas party for work one year and omg we had so much fun. We also took her out for her birthday downtown one year and tore up the dance floor! I'm going to miss messing up her hair and looking for a sugar daddy for her! May she Rest In Peace!*

“ I am so sorry for your loss. Sheree and I worked together at TSA and we had some very funny moments and some frustrating ones as well. I will not forget her smile and the way she laughed. I prayed for her every day while she was sick but now I pray for her smooth passage into heaven where we will all meet up again. When I visited Sheree in hospice care I met one of her daughters that, by the way, looks very much like her. It was comforting that she lives on through her children and grandchildren. She will be missed.

“ I am deeply sorry to hear of the loss of your mother Keri. I know how much she and your 2 sisters loved her and cared for her. You have impressed me ever since she got ill with how you give up every bit of your time going there every single weekend, yet still having to run a house and take care of children and a husband and hold a job. I know how hard it's been on you. I wish you peace and comfort during this difficult time. With love, Lisa Jensen
