“ I had the joy of meeting and working with Sherri at Roper Rehab. She was wonderful to work with, always positive, calm and caring. If any other staff needed help with their assignment she would gladly lend an extra helping hand. She was a great mentor to many and I will miss working with her.

“ *Sherri was an awesome person, her heart was made of gold just like her Sister Ann. Sherri was an excellent friend, she was a very devoted mother and wife. I knew Sherri very well when Cindy was a little girl. Cindy your mom carried you everywhere. You only had to walk when you wanted to. I remember you sitting in her lap at night while she brushed your hair, as you held on tight to your yellow, nearly torn to shreds baby blanket. She would only wash it after you were asleep, cause she thought it would upset you to be without it. Your Dad was right there by her side. Sherri and Eddie had what most spend a life time looking for. They were best friends along with being husband and wife. Some of my funniest and most fond memories were spent with Sherri and Eddie. Eddie I am so sorry. I know you miss her every second of every day. She will always be in your heart, and in the faces of your children. Boys I saw you 2 a few times and I will tell you this your mother was so proud of you both, just as she was Cindy. She was a giver. And she gave from her heart. I know she is in Heaven . She will always be your guardian angel. she will never leave your heart. Treasure the good memories and know she loved you all more than words could ever say. Take good care if your Dad. “ Ed and family, words cannot express the sorrow I feel for your loss. Sherri was a delight to work with, always smiling and joking. Her compassion for her patients knew no bounds. Her knowledge and professionalism exceeded all standards. She was always willing to pitch in when needed. Her family meant more to her than anyone could imagine. Even through her journey with this illness, she still wanted to take care of us. I have never met a more humble person as Sherri. I will miss her smile and warmth. I will think of her sitting in my living room and around the oyster table at my annual parties, with Ed and the grandkids at Roper functions and many more wonderful memories that we all share of her. Thank you Ed for allowing us to be a part of yours and Sherri's family and know we will be with you all through this next journey.

“ *Sherri was an amazing nurse and friend. She was a mentor to me at work and in her personal life. Sherri taught me so much and will always be remembered as someone who touched my practice as a nurse.*

Sherri cared for so many people inside and outside of work. She truly had a compassionate, empathetic heart. Her spirit was contagious.

She will be sorely missed. My prayers and thoughts go out to all her family and friends; we know where she is now, but we are all left behind missing her.
