“ *So many wonderful memories of Aunt Shirley. A lot of them were the annual Thanksgiving gathering. Turkey was prepared multiple ways but it was always great to see all of the family together. Another is when I asked her for help in writing a paper for my master's that included asking family about their experiences of me while I was very young. She also took me shopping before getting married and got some stuff I needed for our apartment. One time not too many years ago Eric was passing through SC for business and he took Shirley and my mom out on a dinner date to Shirley's favorite Blue Bay. Such a special lady. She will be greatly missed. Praying for God's comfort and healing during this time.*
