“ Johnny and I met Ms. Shirley and Terri on Mother's Day about 13 year ago at the campground. I wished them a Happy Mother's Day and introduced myself only to find out they weren't so happy. I was made aware of the loss of their granddaughter, daughter and grandson, son. Ms. Shirley was my back door neighbor on weekends and holidays. Never excepted what the future would bring with our association with this family. We had great times together. We are glad that Ms. Shirley is healthy and happy now. RIP my campground friend. Praying for your family.
