“ Dear Andi and Family. What wonderful memories I have of your Dad at our basketball games. Always so supportive of our team. And so incredibly proud of you !! How he would light up watching you play. I remember the first time I met him. I was checking out of Publix and was wearing a Lady Phoenix basketball shirt. He asked me if I knew you. When I told him I did and who I was, he was so excited and I had a friend for life !! Any time I saw him after you graduated, he always asked about the team. Such a kind and sweet man. It was an honor to know him. I'm including a picture of your 3pt record ceremony. How proud and excited he was for you !!
