“ I knew Steve pretty much all my life. We grew up right around the corner from each other, was in the first grade together, and all the way through high school. We both even worked in the shipyard at the same time. so many memories and a lot of fun along the way. I remember when he bought a brand new 1967, 427 corvette. Green. We used to race each other cause I had a 68 mustang GT. He would laugh at me but I still tried to out run him. Just one of those memories. He will be missed.
